ITEM:

Requests for Extension of Comment Period for Natural Rubber Latex Petition HP 00-2

DECISION

By a vote of 2-1, the Commission voted to approve a Federal Register notice extending by 30 days, to June 21, 2000, the initial comment period of 60 days for the new petition, HP 00-2, to declare natural rubber latex a strong sensitizer. The Commission received seven extension requests: four requested a 30-day extension, two requested 60 days, and another asked for 90 days. Chairman Brown and Commissioner Gall voted to extend the comment period 30 days; Commissioner Moore voted to extend the comment period 60 days.
